DRIVING/PARKING

The following are the guidelines that all licensed student drivers are required to follow. All student drivers and their parents are required to sign a parking contract before a parking permit will be issued. **Parking on campus is a privilege.** Vehicles that have not been registered may be ticketed.

PARKING REGULATIONS

- 1) All vehicles parked on school grounds **must be registered** with the school and **must display the current parking tag on the rearview mirror.** Parking privileges may be revoked if the permit is not displayed correctly. A Driver's License is **REQUIRED** to register a vehicle.
- 2) **Under no circumstances should a car be parked without a parking tag. Cost for replacement of a lost tag is \$5.00.**
- 3) Students are not to park in the lot reserved for teachers, in the lot behind the administration building, or in any handicap designated parking area on school property including the stadium, or along South Monroe Street at the bus stop area.
- 4) Columbian High School is a private tow-away zone. Parking is by permit only and registration tags are required. During regular school hours, violators may be towed at owner's expense. The towing is done under authority of Ohio Revised Code 4513.60.
- 5) All student drivers must be licensed and covered by insurance. The school is **NOT** responsible for the vehicle or its contents.
- 6) Vehicles will be appropriately parked on arrival, one vehicle per space. Parking lot speed shall not exceed 15 miles per hour. Reckless and/or irresponsible operation is cause for revocation of parking privileges (Irresponsible operation includes, but is not limited to: stop sign violation, failure to yield in crosswalks, and speeding). Students who park on campus after privileges have been revoked may receive additional disciplinary consequences. A student shall not intentionally, nor recklessly, operate a motor vehicle so as to endanger the safety, health and/or welfare of others on school property.
- 7) All regulations of the student handbook apply to the parking lot, including tobacco violations. Students are not to loiter in the parking area nor are they to sit in their vehicles while parked on school grounds. The school will cooperate fully with police investigations, including but not limited to the use of canine patrol programs subject to Board of Education policy. **Student vehicles are subject to search. Any student who exercises the privilege of parking an automobile on school grounds shall be considered to have given implied consent to a search of such automobile at any time a search is requested by the school administration.**
- 8) The administration reserves the right to revoke parking privileges for any violation(s) of the Student Handbook.

A copy of the student's driver's license must be brought in with this signed contract.

I understand and am aware of the conditions within this contract. I also understand the consequences should I violate any of the provisions of this contract.
